

Using Rhinorejewel : How can I find out which Service Release of Rhinorejewel is running on my computer?

1) In the main menu go to Rhinorejewel > About Rhinorejewel. Service Release number is shown in the first field on the right of the pop up window.

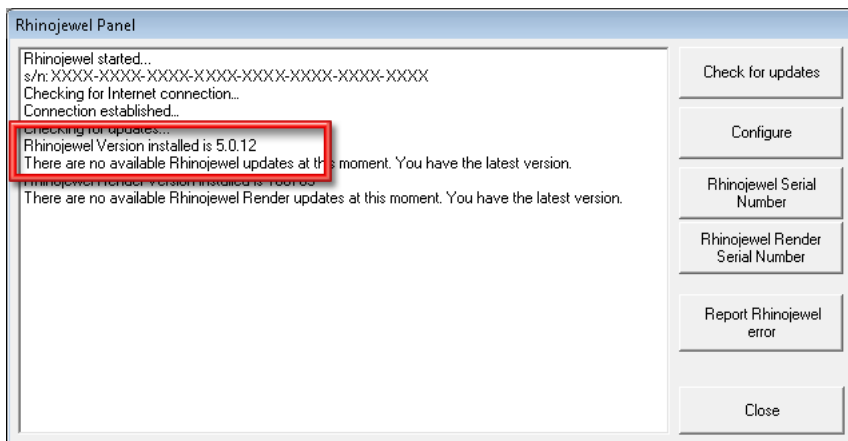

2) Right click the Rhinorejewel icon in System Tray and choose "Show".

Rhinorejewel Panel will open and you will see the version number listed - Rhinorejewel Panel will also inform you if the version you are using is the most recent.

Using Rhinorejewel : How can I find out which Service Release of Rhinorejewel is running on my computer?

Unique solution ID: #1020
